

Pearson BTEC Level 5 Higher National Diploma in Business (Business Management)

Introduction

In today's increasingly competitive corporate world, leading enterprises demand people with demonstrable management skills and abilities. BTEC Higher Nationals are recognised by employers around the world for their emphasis on developing practical skills alongside specialist knowledge and understanding of an industry or sector. With their strong focus on technical skills, they help to address the high-level technical skills shortage that's an important issue in the UK and globally.

Assessment is through practical assignments with no exams - to more accurately reflect the real working environment.

Through this engaging approach to learning, you will be ready to face the challenges of the modern business world armed with the hands-on skills employers demand.

Ofqual RQF (Regulated Qualifications Framework) qualification number for Pearson BTEC Level 5 Higher National Diploma in Business is 601/8365/2.
