

Qualifi Level 7 Diploma in Executive Management

Introduction

MBA Advanced Entry with 120 credits, the qualification has been created to develop and reward the business managers of today and the future, and to continue to bring recognition and professionalism to the management sectors. The qualification scope covers the primary business functions and aims to provide a holistic study of core organisational issues that executive management would be expected to take responsibility for. The qualification provides a programme of learning for those who want to develop their knowledge, skills and understanding of organisations and how executive management can help to achieve organisational and strategic objectives.

Assessment is through practical assignments, with no exams - to more accurately reflect the real working environment.
