**Qualification Objective**

How do people function, operate and flourish in a business? Will the employees change due to business, technology and society changes? These are the sorts of questions HR professionals seek for answers and the course provides answers by covering a wide range of topics, rooting fundamental HR function in a contemporary business context.

In addition to providing a comprehensive knowledge of business and human resource management, the structure of the course ensures that students have the widest possible range of career, employment and higher education opportunities available to them on completion of the course.

**Assessment**

Assessment is through practical assignments, with no exams - to more accurately reflect the real working environment.

**Unit Structure of the Qualification**

Units	Unit level	Unit credit
Business and Business Environment	4	30
Human Resource Functions	4	30
